Y1 CURRICULUM CHRONICLE: AU1

Dear Year 1 families,

We hope you have had a wonderful summer break and a big welcome to Year 1! We are so excited to hear what our lovely new Year 1's got up to over the summer holidays.

This term, we will be managing the transition carefully as we move the children towards the formal Year 1 curriculum. As always, it is important that you and your children feel comfortable approaching any member of the Year 1 team about any concerns, big or small, throughout our time together. Our door is always open!

This term's theme is 'Mighty Me!' which is a science-led theme. We will look at similarities and differences between ourselves and other animals. In DT, we will make a healthy fruit kebab for a superhero. In this term's RE theme 'Creation and God's Promise', we will focus on developing the children's appreciation of themselves and the world around them as part of God's creation.

Tomorrow, at 3:15pm in the Year 1 classroom, we welcome you to a 'Meet the teacher' meeting to find out more about Year 1 and to get to know me.

We will have a Superhero Dress Up Day on Friday 11th September. If there are any questions, queries or concerns about this please speak to me at school pick up or drop off.

With kind regards,
Miss Morgan and Miss Tudgey (Year 1 team)

IMPORTANT DATES

Friday 4th Sept, 3.15pm

Meet the Teacher - in Y1 classroom

Friday 11th Sept

Y1 Superhero Dress Up Day

Friday 18th Sept, 9.00am

Start of Term Mass, led by Y6 - all welcome

Monday 12th Oct, 2.30pm

Pet Blessing

Tuesday 20th Oct

School photos

Thursday 22nd Oct

Y1 Outdoor Learning Day

PE

PE will be on Thursday's this year. It is important for children to practise changing for PE independently but to capitalise on learning time, they will wear PE kits home at the end of a Thursday. This will allow for kits to be washed if required. We would appreciate all kits being back in school by the following Thursday. Hopefully it will be easier to remember as it is also the day they will bring in their homework. If your child has their ears pierced, please remove earrings on these days. If the studs are unable to be removed, please tape over their earrings. If your child has hair which is longer than shoulder length, please make sure it is tied up too.

Show & Tell

Show & Tell is less prominent now we have left the EYFS curriculum. However, we know children love to share their experiences so we will try to fit this in when possible. Please could Show & Tell items be strictly theme-related or link to a special trip or visit only!

Reading Books

Children will bring home a guided reading book once a week. In addition, they will have a home reader to share with you at your own pace. It is vital these books come into school every day. If your child would like to bring in their own book from home then this is fine too. Our library day will be on a Wednesday.
