Year 2

Summer 1 2026

Dear Year 2 families,

Welcome back to the Summer term. I hope you all had a peaceful Easter.

Our new theme is: **Our Wonderful World**. This is a two part theme which will cover the whole summer term, culminating in our Year 2 day trip to Stubbington Study Centre in Summer 2, towards the end of Year 2. The cost of the trip will be shared on ScoPay shortly and further details will follow nearer the time.

In Maths, we will be revising all the learning we have undertaken so far this year, in preparation for our Year 2 SATs. We warmly invite you to our Year 2 SATs information evening on Wednesday 29th April, straight after school pick up. A crèche will be provided for your children (and their siblings) in a nearby classroom.

In English, we will be exploring traditional stories. The imagination in the children's writing is extremely impressive so we can't wait to see what they produce this half term.

Finally, our main focus in RE this half term is Easter and Pentecost where we will be exploring the Easter Story through the eyes of Jesus' disciples. We will also learning all about the Hindu festival of Holi.

Thank you very much for your continued support. We looking forward to this fun-filled half term, which we're sure will go far too quickly!

As always, our door is always open and we welcome any questions or communication to ensure the best outcomes for all the children in our class.

With very best wishes from,
Mrs Davis and Mrs Garlick
