

Year 3

Summer 2 2025-2026

Thank you for your continued support.

Dear Families,

With best wishes,

We cannot believe that we are in our last half term of Year 3! This is a very busy period but we are sure that the children will have lots of fun with all the exciting activities that we have planned.

Miss Clarke, Mrs Taylor and Miss Williams

Curriculum Information

Theme: The Great Outdoors

We are currently organising our Year 3 Sleepover for Thursday 2nd of July. We know that the children are very excited about this! An email with more information will be sent out shortly.

English: Persuasive Texts, Explanation Texts and Non-negotiables

Maths: Angles, Perimeter of Figures, and Non-negotiables

Science: Plants

Art: Printmaking

PSHE: Growing and Changing

Resilience and Teamwork

Please could you continue to support your children with their daily homework and reading. The children have particularly enjoyed the Reading Challenge and we don't want them to miss out on their reading prizes.

We would also appreciate it if your children could practise their times tables on Times Tables Rock Stars so that they can recall their times tables fluently. You should find the login details in your children's reading diary but please don't hesitate to contact us if you need them sent home again. Children are expected to be fluent in 2, 3, 4, 5, 8 & 10 times tables by the end of Year 3.

In Guided Reading, the children will be exploring non-fiction texts. They will be taking home a booklet which will show the texts they need to read at home and in school each week. We are aware that in comparison to previous terms, the children are being asked to read shorter texts, so please ensure that they also read other fiction or non-fiction books that they might have at home or that were taken home from the school library.

Every Monday, the children will be visiting the library. Please ensure that they bring their library book to school whenever they are ready to exchange it.

Our PE day will continue to be on a Thursday. Children must bring their PE kit to school as soon as possible. Please ensure that kit is appropriate for the warmer weather.

Computing: iPodcast

PE: Games

RE: Pentecost and Sacraments

French: Encore!

Music: Mystic Moments—exploring texture

Outdoor Learning: Nature
